AUGUST CALL STATISTIC DISCUSSION

Nothing unusual

UNFINISHED BUSINESS

Review of staff schedules and turn down data per request of Commission Member Meyer was reviewed and discussed. Riemersma added that Plainview has requested pooling resources with other EMS training agencies to help meet the new requirements set by the EMSRB and that they are also pursuing their part time ALS license back.

FACILITY UPDATE

Riemersma advised the commission that the Police Chief and the Ambulance Director were scheduled to meet with TSP on October 7<sup>th</sup> to discuss the facility. They were chosen to draw up plans on the empty lot on 10<sup>th</sup> street and also give a second opinion on the Home Pros facility costs. Riemersma also noted that they are using the house next to city hall as crew quarters due to the increase in out of town staff and the increased response time from Public Works.

EQUIPMENT UPDATE

The ambulance has budgeted for 2 additional Lucas II CPR compression devices to provide consistent use and access by staff. Currently we have one in 271 and if that ambulance is out the next patient will not have the benefit of the life saving device.

The ambulance service is also reviewing the need for new software for run reports and a more effective way of merging necessary data fields for improvement processes. This will more than likely be a 2015 project that will include connecting with dispatch.

NEW BUSINESS

The interview committee; Wirtanen, Pfeilsticker and Riemersma have done what we felt was a thorough application screening with an outline developed by Wirtanen and in depth behavior questioning developed by Riemersma to help us get a feel for personalities and potential behaviors of the candidates. There is one more interview remaining and we plan to bring a candidate forward soon.

Wirtanen and Wedge inquired about the articles that were to go into the Graphic as they have not seen them yet and requested that it be looked into to. Riemersma will contact them.

It was discussed that other boards and commissions have a member of the board of commission record minutes and it is being recommended by the ambulance commission that they have a member do so at their meetings. Discussions on a template to be used. Chair Wirtanen is requesting that agendas be reviewed by him before going out in the packet as was done previously. Riemersma agreed this should be done. A special meeting will be needed to discuss the candidate for the EMT Administrative Assistant, date set for October 7<sup>th</sup> at 1800.

**MOTION BY WEDGE SECOND BY MEYER THAT THE DIRECTOR IS RELIEVED OF MINUTE TAKING RESPONSIBILITIES ALL AYES.**

REQUEST FOR HIRE

Riemersma and Pfeilsticker recommends Phillip Gradivant and Matthew Klevgard be hired as casual paramedics. These individuals have already been hired by council at their previous meeting.

**MOTION BY WEDGE TO RECOMMEND HIRING PHILLIP GRADIVANT AND MATTHEW KLEVGARD AS CASUAL PARAMEDICS PENDING BACKGROUND SECONDED BY PFEILSTICKER ALL AYES.**

CHANGE OF MEETING TIMES

It was requested that we suggest a change in the meeting time again to accommodate Medical Director Spano and Hospital Advisor Susan Stein. Discussion on 1800 or 1830 so he can attend as their input is very important to the direction of the service.

**MOTION BY MEYER SECOND BY PFEILSTICKER TO MAKE THE ADJUSTMENT TO THE REGULAR SCHEDULED MEETING TIME TO ACCOMMODATE DR SPANO AND SUSAN STEIN ALL AYES**

**MOVED BY WEDGE/MEYER TO ADJOURN THE MEETING AT 1816. ALL AYES**

SPECIAL MEETING**

**Members Present:** Richard Wedge, Jim Meyer, Marilyn Pfeilsticker, Carl Wirtanen and Cindy McGrath

CALL TO ORDER

Carl Wirtanen called the meeting to order at 1800 with a quorum present.

APPROVE HIRINGS

The interview committee is recommending that Jacob Kolander be hired as EMT Administrative Assistant. Jacob will be a returning EMT who during his absence still volunteered on 2 ambulance services to keep his skill level up. He has a great attitude and has a strong background in customer service or the hospitality industry. Riemersma noted that having someone ready to go into the position and being able to assume the EMT duties almost immediately is a tremendous benefit to our service. City policy dictates a one year probation. Riemersma will check and see when he will be eligible for a raise if it is the first of the year or at his one year mark. The Commission has the authority to hire, discharge and set the salary of all employees subject to council approval. Meyer stated he did not recall setting the pay of the last hired person. Riemersma agreed they did not but according to the wording they should and it was overlooked.

**MOTION BY MEYER TO APPROVE HIRING JACOB KOLANDER AS EMT ADMINISTRATIVE ASSISTANT AT GRADE 8 STEP B- \$18.9977 PENDING COUNCIL APPROVAL AND BACKGROUND SECONDED BY MCGRATH ALL AYES.**

Riemersma advised the commission that the EMT students have completed their skills and classroom and some are awaiting testing results and she would like to hire them all. All of the students looking to volunteer have signed the agreement to volunteer hours with Lake City in replacement of paying full tuition. One of the students may have to have lower hours because of school. Their hours may have to be prorated perhaps with a longer volunteer period. The director will work something out with those with special circumstances and if it cannot be agreeable they may have to pay full tuition. Crew got to know the staff through school and clinical time. Thomas is already an active EMT. Cole and Heidi have passed their National Registry test the others are still pending.

**MOTION BY TO MEYER TO APPROVE HIRING COLE KRIETT, MARGARET BALOW, HEIDI BURGESON, ZACH SWANSON AND THOMAS GERHART PENDING COUNCIL APPROVAL, PASSING THE NATIONAL REGISTRY AND BACKGROUNDS SECONDED BY WEDGE ALL AYES.**

800 MHTZ RADIO DISCUSSION

Riemersma shared the letter that went out Sheriff Bartsh from City Administrator Ron Johnson at the request of the Ambulance Commission. McGrath had approached Riemersma after we were involved in another incident where the ambulance staff were directed to respond to the football field where players were practicing. The on duty paramedic contacted the Director about the incident. Riemersma responded to the football field and requested a patch be done as we did not have direct information with the PD and we had no information on the situation. The staff at the field appeared anxious and did not feel safe due to lack of information. The Director requested a patch be made with EMS and Police which was approved. Chief Kabista had informed Riemersma that the letter has reached the Sheriff and the dialogue has been established. The commission would like to continue this discussion at the next meeting until it has been resolved.

MISCELLANEOUS

McGrath had questioned if debriefings were being offered to staff after these incidents. Riemersma stated that it was offered several times to staff after the police shooting and none of the ambulance staff participated. She stated she has seen some changes in staff with each major event and she has spoken with them regarding what we can offer them for assistance. It was also noted that the employees were indirectly involved on the latest event but still had some effects on them that were believed to be cumulative. Riemersma reported that the city is working on bringing in a specialist from the Employee Assistance program through our insurance and everyone would be invited even if they don't have the city insurance. It may be mandated for some individuals.

**MOVED BY/MCGRATH/MEYER TO ADJOURN THE MEETING AT 6:37 P.M.  
ALL AYES**
