Mayor Beckman called the meeting to order at 5:00 p.m.

Mayo representatives Stephen Gudgell, John Oviatt, and Dr. Witt answered questions regarding the proposed amendments to the Lease agreement with Mayo Health Systems. City Attorney Sonsalla and Mr. Oviatt worked together on the amended document before the council for review and potential action. Councilmembers voiced concerns over the Articles and Plan of Merger as well as the first amendment to the lease agreement. Several councilmembers stated that they would like to see a side by side comparison of the documents to see what the actual changes are. Some Councilmembers also stated that the Lake City community does not understand what Mayo is asking and that there should be no rush to action.

David Mahn and Melissa Schaal are at large community members representing Lake City on the Mayo Board. They were in attendance and stated that they support the proposed changes before the council.

The Mayor closed the workshop meeting at 5:55 pm.
