

# Highway 61 Lane Reduction Open House

*We want your input!*

**Where:** Lake City Council Chambers, Second Floor of City Hall

**When:** March 28, 29 and 30 from 4:30 p.m. to 6:30 p.m.

The City of Lake City is exploring the possibility of reducing the number of driving lanes on T.H. 61 from four lanes to two lanes with a center turn lane. The extent of the project would be from the north end of the city to Elm Street. The City has conducted a preliminary scoping study, which is available at City Hall or online at the City's website. We are now looking for public input before moving forward on a project.
